Under the guidance of Tumkur University, authorities concerned with the above mentioned cell, several informative speeches were given in classrooms to clarify students and make them aware of the protective cells and their role in redressing their grievances. However, minor grievances of students which were orally conveyed, were redressed according to the instruction of the Principal.

It was resolved to display the 'Warning' notification permanently on the wall, at the entrance of the college.

### Grievances given by students in writing:

- Delay in receiving results of some students from Tumkur University.
- Delay in getting Bus pass.
- Delay in receiving marks card and Convocation certificate from University.
- Regarding change of I Sem student names and course.

### Action initiated for redressal:

- Corresponding was made with the Registrar (Evaluation) and the problem has been solved.
- Communicated with the KSRTC Bus Depo Inspector and necessary procedure was followed.
- Requisition was made to the University to provide marks card as well as convocation at earliest.
- The mistake occurred in the name of student and their course was rectified with Tumkur University through Liason Officer.
