## REPORT ON THE INVITED LECTURE

An invited lecture on 'Research methodology' was organized by the Department of Chemistry, Sri Siddhartha First Grade College on 11<sup>th</sup> February 2019. Dr. Suchetan P. A., Assistant Professor of Chemistry, University College of Science, Tumkur University, Tumakuru was invited as the resource person. The lecture was organized firstly to ignite interest and promote research culture among the young faculties which would finally lead to them participating in various research activities. Secondly, many of the faculties who are desirous to do research need to know the correct scientific approach to identify and tackle a research problem. The lecture was organized at the Seminar Hall at 2 PM. 20 faculty members of different departments participated in the programme. The programme was presided by the Principal, Sri Siddhartha First Grade College who gave his remarks on the importance of organizing such events. Dr. K. S. Kumar, Head of the Chemistry Department welcomed the gathering and also read a brief resume of the resource person. Dr. Suchetan P.A., the resource person, highlighted the importance of participation of teachers as well as students in research activities along with the other academic activities. He further explained how the various method and approaches could be followed by prospective teachers and students for identification of a research problem. The significance of thorough literature survey to be carried out after identification of a research problem was highlighted. The various steps involved i.e., the research methodology beginning from identification of a topic up to publication of the final results of the work carried out was well explained. At the end of his talk, he explained the importance of selecting the right journal for publishing the results and also outlined the structure of a research paper. The lecture was followed by the interaction session where the participants interacted with the resource person. Dr. C. Vijaya Bhaskar, senior faculty of the Chemistry Department gave concluding remarks at the end of the interaction session and also proposed vote of thanks.
