## About the Workshop:

### **Training on Media Language Skills**

Reading, writing, speaking and listening – the four foundational skills of language learning. These four language skills are very essential for becoming a successful Media Person. One can't build a house without a strong foundation. Similarly, one won't become a well-rounded speaker/writer of a language without building upon the four foundations of language learning. In-order to become a well-rounded communicator one needs to be proficient in each of the four language skills. These four skills give learners opportunities to create contexts in which to use the language for exchange of real information, evidence of their own ability and, most important, confidence. With these four skills addressed equally while learning a language, the learners can be assured of having good communication skills, a great necessity in today's competitive world. Training for Media Language Skills will lead to proficiency in a language of the participants.

#### **Objectives of Training for Video Shooting and Editing:**

- To train participants in Media Language Skills
- To train participants in Writing Skills
- To train participants in Speaking Skills
- To train participants in Listening Skills
- To train participants in Reading Skills

### **Training for TV Anchoring Skills**

The media and entertainment industry is growing at an unprecedented pace and opening ample job opportunities. It's time to seize the opportunities that the media and entertainment industry has to offer. TV Anchoring as a profession requires one to know all the latest happenings in the world and abroad like the back of their hand. Specialized training in TV anchoring will help Girl students acquire the skills needed in newsroom. During the training, students are exposed to various techniques and styles of TV presentation for live events, news, discussions and interviews. Students are taught not only anchoring basics but also on how a TV news channel works, how a teleprompter works, and more. In this training resource Persons with experience and expertise in the subjects will engage the classes. This TV Anchoring skills development training will equip the participants to get the job in TV and Entertain Media Houses or engage in self employment which will sustain them economically and achieve a name for them.

#### **Training will cover the Following subjects:**

Basics Of Anchoring, Introduction To Microphones, EP, Stage Lighting, Voice Modulation Tips And Techniques, Dress Code For Men And Women, Make-Up Tips And Techniques, Techniques To Ace The Interview And Create A Powerful Impression, Tips On Anchoring From The Experts In The field.
