DEPARTMENT OF ZOOLOGY

EXHIBITION REPORT

The department of Zoology has arranged an '**Animal Science Exhibition**' on **19-02-2020** through II year CBZ students under the guidance of **prof. Naseem Taj**, HOD of Zoology. The exhibition was inaugurated by **prof. H N Vijayendra**, principal. All the staff members were present.

The animal diversity is playing vital role in the maintenance of ecological balance. The biome is having non chordates to chordates covering the different spheres like terrestrial region, aquatic region and aerial mode. The exhibition mainly focused on bringing the characteristic features of different animals. During the exhibition the department exhibited various species of **Arthropods, Fishes, Poisonous and non poisonous snakes, Birds, Human anatomy models like Human skeletal system, Respiratory system and Health parameters like Height, Weight and Pulse rate of all the visitors was checked.**

The benefit was availed by more than 200 students from arts, science and commerce streams. And the department thanks everybody who involved directly or indirectly. It also congratulates the students who actively participated.
